The Mission

The Vermont Correctional Academy is vital to the Department's statutory mandate to establish training programs for new employees and to establish such in-service training programs as deemed advisable.

As an Academy we are responsible for developing training curriculum that will produce highly trained, professional, and competent staff throughout the department. To maintain a standard of excellence the Academy is dedicated to the development of curriculum and department furnished instructors. Academy curriculum is regularly reviewed, updated and revised to meet the needs of today's corrections professional.

The Academy will prepare new staff for success in the corrections profession; enhance the knowledge, skills, and abilities of experienced staff and maintain a high standard of professionalism.
